

A basic, well-built thoroughly reliable unit

As with all Nilfisk machines, the design is outstanding with careful attention given to ergonomics and environmental friendliness. The filling capacity is the best in its class, which means less time spent changing dust bags. The VP300 Eco weighs just 5.2 kg making it easy to move from place to place. The Eco labeled VP300 offers 25% reduced power consumption via a 900w fan unit whilst providing an excellent cleaning performance. And all of this at a highly competitive price. *machine only

- Low noise level of 50 dB(A)* creates less disturbance and enables daytime cleaning
- Eco friendly 900w fan unit allows us to reduce power by 25% yet still achieve an excellent cleaning efficiency
- Weighs just 5.2 kg*(machine only)for easy portability Best in class filling capacity.10 litre container with 8 litre dust bag net filling
- Entire machine, including hose and wand, can be carried safely and comfortably in one hand
- Superbly designed for simplicity and effective cleaning at an economic price

The Nilfisk VP300 Eco is a basic, well-built, thoroughly reliable unit that can be relied upon to do the job day in day out. It is ideal for cleaning offices, hotel rooms, retail outlets, and similar light to medium duty applications.
