

Karcher HD 9/20-4 M

Cold water high pressure washer

- 10m high pressure hose
- Air-water cooled electric motors
- 1050 mm spray lance for great reach
- Lance with triple nozzle adjustment
- Pressure switch control
- Easy cleaning agent bottle changeover

The Karcher HD 9/20-4 M is a versatile commercial cold water high pressure washer, with a tough low-speed three phase motor. This machine's 4-pole electric motor runs at a lower rpm than a 2 pole motor providing more power and longevity.

This machine offers water pressures of up to 220 bar and a water flow rate of up to 900 litres per hour, with a triple nozzle (0°/25°/40°). The EASY!Force high pressure gun with quick-release locks reduces operator fatigue. The Switch-CHEM 2-way dosing valve enables easy change of cleaning agent.

Other features include large wheels to cope with uneven surfaces, power cord storage at the rear of the machine and a parking position for short breaks.

The M Plus model features a Dirt blaster nozzle for greater cleaning performance.

The MX Plus model also features a 15m high pressure hose, with a mounted hose reel for convenient and safe storage.

Technical data: Karcher HD 9/20-4 M

Features:	HD 9/20-4 M	HD 9/20-4 M Plus	HD 9/20-4 MX Plus
Current Type (Ph / V / Hz)	3 / 400 / 50	3 / 400 / 50	3 / 400 / 50
Operating Pressure (bar / MPa)	40 – 200 / 4 – 20	40 – 200 / 4 – 20	40 – 200 / 4 – 20
Flow Rate (l/h)	460 – 900	460 – 900	460 – 900
Power Rating (kW)	7	7	7
Max pressure (bar/MPa)	220 / 22	220 / 22	220 / 22
High Pressure Hose (m)	10	10	15
Machine Weight (Kg)	46	41.4	48
Dimensions (L x W x H) (mm)	425 x 552 x 1000	425 x 552 x 1000	554 x 509 x 1000
