

Nilfisk SC500

Compact walk behind floor scrubber

- Excellent performance scrubber dryer
- Ergonomic design
- Quiet operation for daytime cleaning
- Low maintenance costs
- 30kg brush pressure
- Powerful brush motor
- Effective use of water and detergent

The Nilfisk SC500 is a walk behind scrubber dryer that is the perfect solution to mid-sized area cleaning with an impressive brush pressure of 30kg. The machine produces remarkably low sound levels making it highly suited to daytime cleaning in populated areas such as hospitals, schools, offices, hotels and restaurants.

Designed with productivity in mind the SC500 produces excellent cleaning results due to its effective use of water and detergent. The water and solution flow rate is determined by the speed of the machine, optimising overall consumption of water and chemicals.

The SC500 has a large 45 litre water and recovery tank and is capable of 5 hours run time maximising productivity.

Machines marked * qualify for the Enhanced Capital Allowance scheme and are also on the water technology list.
