

Viper DSU Vacuum

Compact commercial tub vacuum with HEPA filter

- Simple, user friendly, easy to move
- Suitable for cleaning offices, hotel rooms
- ECO mode on DSU 12 and 15
- Tank capacity 10-15 litres
- Supplied with HEPA filter and accessories

Viper DSU Series dry vacuums are commercial tub vacuums for daily cleaning in shops, offices, hotels etc.

These Viper tub vacs are highly manoeuvrable and easy to use, with a main switch which can be operated by hand or foot, cord wrap and hook, and accessory holder. Easy to transport.

The ECO switch, available on DSU 12 and DSU 15 is designed to save energy whilst still delivering effective cleaning in light to medium applications.

All supplied complete with a HEPA filter, upholstery tool, crevice tool, and round dusting brush.
