

DIBO | SS+ | MD

- Kubota Diesel water cooled electric start engine.
- Both run at 85 decibels and are sound insulated.
- Both have stainless steel manual high pressure hose reel with 40m high pressure hose and trigger gun and lance.
- JMB-MD has an anti-limescale system and an additional inlet hose reel with 25m of ¾ inch flexi inlet hose.
- With the option of cleaning with cold or hot water at high pressure, this high-pressure cleaner is suitable for a wide variety of cleaning work.

JMB/SS+

Water tank	200l
Dimensions	1575mm/920/865
Water flow	18ltrs per min
Pressure	200bar
Temperature	0-110degrees
Fuel Capacity	50l

JMB-MD

Water tank	320l
Dimensions	3500/1800/1750
Water flow	18ltrs per min
Pressure	200bar
Temperature	0-110degrees
Fuel Capacity	80l
