

Nilfisk SC4000

The SC4000 is a high-productivity, commercial ride-on scrubber perfect for cleaning both large, open spaces as well as small. With a more compact design, it is easy to maneuver in narrow spaces and able to pass through standard-sized doorways. Available in both High-Performance and standard models the SC4000 was developed with contract cleaners, schools, hospitals, and retail stores in mind, and is designed to clean a wide variety of flooring surfaces, with its highly versatile three-deck options.

PRODUCT SPECIFICATIONS

- Clean all areas with ease.
- Disc decks available in 28in or 34in
- Cylindrical decks available in 28in or 32in
- REV™ deck available in 28in
- Work quickly and easily, regardless of obstacles/changing environment. Up to 5 mph with HP models, 4.4 mph with standard.
- Clean inconspicuously any time – even in congested environments – due to best-in-class turning radius, a compact profile, and quiet operation.
- Ensures high-quality cleaning every time, regardless of soil level, with SmartFlow™ technology that adjusts the solution flow according to the travel speed.
- Saves water and detergent, and increases productivity by choosing the optional EcoFlex™ system.
- Improved safety with Clear-View™ design and steering-mounted controls.
- Intuitive OneTouch™ controls and SmartKey™ simplifies training and manages operational parameters.
- Eliminates the use of stripping chemicals and associated operator risks with REV™ Random Orbital Scrubbing technology.
- Light sweep and scrub simultaneously with the cylindrical decks, increasing your productivity and cleaning efficiency, and eliminating the need for pre-sweeping.

Nilfisk SC4000

TECHNICAL SPECIFICATIONS

Max. transport speed - manual Fwd.	4.35 (STD) / 5.0 (HP) mph
Max transport speed - manual rev.	3.0 (STD) / 3.0 (HP) mph
Voltage (V)	36
Sound pressure level (dB(A))	65,8
Min. aisle turn (cm)	65.5 in
Dimensions, L x W x H (Inches)	62.6 x 31.1 x 57.7
Gross weight (gvw) (kg)	1662 lbs
Shipping weight (kg)	1250 lbs
Gradeability transport % (DEG)	16
Gradeability working % (DEG)	9
Max. theoretical productivity	53,590 / 61,600 ft ² /h
Debris hopper volume-	
Vacuum motor power	710STD / 850 HP W
Brush pressure	115/165/220 lbs
Cleaning path	28 in
Solution/recovery tank capacity	33/33 gal
Automatic squeegee lift in reverse	Included
Back up warning alarm	Included
Blades can be used on 4 edges	Included
Click on-off brush	Included
Adjustable seat	Included
Squeezable drain hose with flow control	Included
SmartKey system	Included
One-Touch™ Button	Included
Break away Squeegee	Included
SmartFlow system	Included
Speed limiter	Included
Fully protected scrub deck	Included
Integrated impact detection system	Included
Embedded machine diagnostics	Included
Fits through standard doorway	Included
