

Edge Lion "S"

Edge's latest commercial pressure washer

- Interpump series 47 high pressure pump
- Automatic pressure regulator
- Low voltage warning lights
- Safety flow switch

The EDGE Lion "S" commercial hot water pressure washer has a wide range of pressure options and safety features, including water protection for the electric motor and a waterproof electrical box which is separate from the main control panel. Also included are a safety valve, automatic pressure regulator with micro-switch and safety flow switch.

The Lion "S" has a 23 litre water tank with inlet water filter, suction filter, detergent filter with check valve, inline gas oil filter and fuel level sensor.

Technical data: Edge Lion “S”
