

Edge Manx Eco

Industrial cold water pressure washer

- 4 pole electric motor
- Three ceramic pistons, brass linear
- Late shut down protection 24V
- Integrated detergent suction
- Pressure regulator
- 5 metre power cable
- Tough steel frame

The Manx Eco industrial pressure washer includes a 4 pole electric motor, running at 1450rpm, with thermal protection, air cooling and elastic joint. This robust pressure washer has a tough steel frame, with a stainless steel cover. The machine's delivery rate is 11 litres per minute, at 120/140 bar.

The Edge Manx Eco is tough and efficient, with many additional features:

- Three ceramic pistons
- Brass linear pump head with separate by-pass valve
- Suction and delivery S/S valves
- Shut down protection 24 V
- Integrated detergent suction
- Pressure regulator
- Glycerine pressure gauge

Supplied with gun, lance, nozzle and 10 metre high-pressure hose (with screw coupling). Optional high-pressure hose reel also available.

Technical data: Edge Manx Eco

Features:	Manx Eco (Code 2469)
Operating pressure (max)	120/140 bar
Delivery Rate	11 litres / min
ABS. Power/Voltage	2800W-240V~50Hz 1ph
Motor speed	1450 rpm
Max water temp	40°C
Dimensions L x W x H	50x90x83cm
Weight	37kg
