

## Edge Steam Tec

High pressure steam cleaner

- Ideal for outdoor pressure cleaning
- Dual power mains or battery operated
- Stylish corrosion proof casing
- Convenient centralised controls
- Flexibility with pressure/flow adjustment
- Trigger operated lance with safety control

If you need powerful pressure cleaning independent of a water supply, then the Edge Steam Tec is the machine for you. The built in water tank holds 25 litres of water, and as the Steam Tec uses only 2 litres to clean a car, it is a truly portable machine.

The battery powered model removes the need for trailing power cables, making it ideal for outdoor use.
