

Edge Steam Tec Graffiti Graffiti removal machine

- Powerful and silent steam cleaner
- Easy manoeuvrability
- Equipped with 36L water tank
- Easy to use
- No residuals left after cleaning

Need to remove graffiti? The Steam Tec Graffiti is designed for the job – a high pressure portable steam cleaner equipped with a diesel fuel boiler and water tank. Steam is produced in minutes, ready to start removing graffiti or dirt from walls, buildings, floors etc.

Its small and compact for easy transport and improved usability.

The Steam Tec Graffiti uses revolutionary steam/detergent combined together to remove the toughest graffiti and dirt. The built in water tank holds 36 litres and eliminates the need to be connected to a water supply.

Technical data: Edge Steam Tec Graffiti

Features:

STEAM TEC GRAFFITI
