

## Edge Volcano Hot Box

Mobile, diesel powered boiler

- Connects easily to your pressure washer
- High capacity fuel tank
- Shock resistant frame
- Thermally efficient
- Delivers up to 140 degrees C
- High pressure hose supplied

The Volcano Hot Box is a diesel powered boiler which converts your cold water pressure washer into a hot water version. It is compatible with all pressure washers up to 200 bar and flow rates up to 21 litres per minute.

The Hot Box has a high thermal efficiency steel coil, with a flow switch to generate hot water, with or without pressure.

Water circulates around coil and heats up to the desired temperature, which can be set up to 140 degrees C.
