

## Ehrle HD823 Etronic II Series Pressure Washer

Oil heated mobile hot water pressure washer

- Hot water high pressure cleaner
- High pressure 10m hose DN08 – 315bar
- 90cm spray lance with nozzle protection
- 4 large rubber wheels for rough terrain
- Separate motors for pump and heating
- Robust rotary on/off switch
- Etronic II controls
- Premium option with 20m hose & hose reel

### **The Ehrle HD823 pressure washer features Ehrle's Etronic II control system:**

Start-stop system with switch-off delay, total-switch-off after 20 min, OPH counter with service information, low-water cut-off, low-fuel cut-off, optical flame monitoring with photoelectric cell and fault indicator light, steam-stage, making it a safe and easy to use hot water pressure washer for professional use.

This pressure cleaner has a robust construction, with self-supporting chassis and impact-resistant cover made of ABS. It also has 4 large rubber wheels with a patented 2-way brake system, making it suitable for use on a range of terrains.

Includes integrated diesel and detergent tanks, and 2 motors to separately manage the high pressure pump and the water heating.

### **The HD823 includes:**

- High pressure hose 10 m, (**premium version** has 20m hose and hose reel)
- Trigger gun with swivel, spray lance 900 mm nozzle protection
- Stainless steel jet nozzle 25°, water supply separation in line with regulations
- Chemical supply in high pressure jet with metering valve

## Technical data: Ehrle HD823 Etronic

<b>Features:</b>	<b>HD823</b>
Operating pressure, adjustable	30-125 bar / 3-12.5 MPa
Max. pressure	140 bar / 14 MPa
Max flow (ltr/hr)	300-720
Voltage	1/240v
Hot water capacity (°C)	30-98 (150)
Integrated diesel tank (litres)	25
Integrated detergent tank (litres)	20
Pump speed (rpm)	1400
Connected load	3.3Kw / 13A
Dimensions (LxWxH) mm	1070 x 735 x 1020 (premium H 1310)
Weight (Kg) Standard / Premium	158/167
