

Ehrle KD523 Series 2x2 High Pressure Cleaner

Continuous use cold water pressure washer

- Cold water high pressure cleaner for professional use
- Self-supporting impact resistant device cover
- 2 large wheels and rubber support
- Start-stop system
- Robust on/off switch
- Premium option with longer hose & reel

Ehrle Series 2x2 pressure cleaners are extremely portable machines for professional cold water pressure washing, with adjustable flow and pressure.

KD 523 2x2 series pressure washers have a robust chassis with impact-resistant cover made of ABS, triplex piston pump with brass pump head, high performance ceramic piston and stainless steel valves.

Easy to use, these machines have a robust on/off switch, start-stop system, unloader safety valve, 2 large rubber wheels and rubber support. Supplied with 5m connection cable and with room for accessory storage, this is a professional quality pressure washer, designed for long periods of use.

The KD523 includes:

- High pressure hose 10 m, (**premium version** has 15m hose and hose reel)
- Trigger gun with swivel
- Spray lance 900 mm with adjustable nozzle
- Stainless steel jet nozzle 25°
- 2 litre cleaning detergent tank

Technical data: Ehrle KD523 Series 2x2 High Pressure Cleaner

Features:	KD523
Operating pressure, adjustable	30-110 bar / 3-11 MPa
Max Flow (ltr/hr)	300-600
Voltage	1/240v
Max inlet temperature (°C)	45
Pump speed (rpm)	1400
Connected load	2.6Kw / 9A
Dimensions (LxWxH) mm	380/390 x 380 x 900
Weight (Kg) Standard / Premium	34 / 36
