

## Factory Cat Pilot Microrider

Industrial floor scrubber/drier

- Powerful drive motor, climbs steep ramps
- Suitable for small to medium applications
- On board battery
- Safe and simple to use
- Built in vacuum

The Factory Cat Pilot Microrider is a compact ride-on scrubber drier suitable for small to medium industrial cleaning applications. With its powerful drive motors the Factory Cat Pilot has the ability to climb steep ramps without the need to push.

The Pilot has useful drive system features such as; automatic parking brake, reducing speed while scrubbing or reversing to maintain the life of the squeegee.

## Technical data: Factory Cat Pilot Microrider

### Features:

### Factory Cat Pilot Microrider

Drive power	746 W
Max. area performance (m <sup>2</sup> /h)	2140
Working width (mm)	710
Solution Tank Capacity (l)	83
Recovery Tank Capacity (l)	84
Weight (Kg)	386
Dimensions (L x W x H) (mm)	1220 x 610 x 1400
Battery running time (h)	6
