

## Karcher B 250R

### High capacity ride-on scrubber-drier

- Traction drive
- DOSE system to control detergent use
- Automatic water stop
- Low maintenance battery
- Adjustable steering wheel
- 2 tank system
- ECO-friendly, qualifies for ECA

The B 250 R ride-on scrubber drier is designed for long periods of use in large facilities. Its robust tubular steel frame meets even the toughest operational demands, and large batteries and a large water tank guarantee long work intervals. The single-button control and colour-coded control elements, makes this floor cleaner easy to use.

**This machine can be turned into a vacuum sweeper / scrubber drier (B 250 R I)** by adding the a front vacuum module. The B 250 R I extra cleaning for larger areas of dirt and provides continuous dust free operation with its floating main roller brush and two side brushes.

The Karcher B250R qualifies for the Enhanced Capital Allowance scheme and is also on the water technology list. See more information about [ECA](#).

## Technical data: Karcher B250R

Features:	B 250 R	B 250 R I
Working width, brush (mm)	1000	1000
Working width, vacuum (mm)	1060	1060
Fresh/Waste water tank (l)	250/250	250/250
Theoretical area performance(m <sup>2</sup> /h)	8000	8000
Brush contact pressure (g/cm <sup>2</sup> )	35-260	35-260
Battery voltage (V)	36	36
Motor rating	Up to 5200	Up to 6900
Weight (Kg)	1250	1450
Dimensions (LxWxH) (mm)	1900 x 1060 x 1550	2730 x 1060 x 1550
Sound level (dbA)	67	67
