

Karcher B90R Classic

Compact battery powered ride on scrubber drier

- Maintenance-free battery
- Automatic water stop
- Traction drive
- On board battery and charger
- 90° steering
- Qualifies for ECA

The Karcher B90R Classic is a highly productive compact ride-on scrubber drier. This machine is very manoeuvrable with its 90° steering allowing for on the spot turning. Fitted with poly brushes which offers high pressure cleaning for tough and resilient dirt for large surface areas.

This machine has a large battery compartment for maintenance-free gel batteries (MF) or low maintenance batteries (LM), enabling for a long operating time. All basic functions are controlled with the EASY switch and it has excellent traction as it has a low centre of gravity to guarantee good wheel grip.

The Karcher B 90 R qualifies for the Enhanced Capital Allowance scheme and is also on the water technology list. See more information about [ECA](#).

Technical data: Karcher B90R Classic

Features:

B 90 R Classic BP MF / LM

Working width, brush (mm)	550
Working width, vacuum (mm)	850
Fresh/Waste water tank (l)	90/90
Theoretical area performance(m ² /h)	4500
Brush contact pressure (g/cm ²)	35-260
Battery voltage (V)	24
Motor rating	2200
Waste container (l)	7
Weight (Kg)	272
Dimensions (LxWxH) (mm)	1450 x 800 x 1200
Sound level (dbA)	69
