

Karcher BD 38/12 C

Disc brush scrubber drier for smooth floors

- Light weight
- Curved suction bar
- Maintenance free battery
- eco!efficiency mode

The Karcher BD 38/12 C is a compact, light weight and agile disc brush scrubber drier ideal for the cleaning of small to medium sized smooth floors.

Its equipped with many features that make it easy and safe to operate and to maintain, including low weight for easy carrying and manoeuvrability; eco!efficiency mode for 40% reduction in noise levels, extended runtime and reduced emissions whilst still offering exceptional cleaning. It has a curved suction bar to ensure little residue is left on the floor to prevent slips and trips.
