

Karcher CV 38/2 Advanced

Professional upright vacuum cleaner

- Individual brush and suction motors
- Wide cleaning width
- Upholstery cleaning

The Karcher CV 38/2 Advanced is a professional vacuum cleaner with a wide and effective working width of 380mm. It provides high powered suction with a direct motor driven brush that removes stubborn and ground in dirt from the carpet. The machine can clean right up to object edges and can work completely flat to gain cleaning access under furniture and beds.

The CV 38/2 Adv has a number of features to enhance its performance, such as an indicator light to signal the operator when the roller brush needs to be adjusted to achieve optimal performance. The brushes for this machine are available with hard or soft bristles and because of the excellent design the brushes can be replaced easily without the need for tools.
