

Karcher CV 48/2 Adv

Twin motored vacuum cleaner

- 480 mm working width
- Detachable suction tube
- Filter status indicator
- Upholstery tool
- Crevice tools

The Karcher CV 48/2 Adv is a superb twin motored vacuum cleaner with a working width of 480mm. It provides high powered suction with a direct motor driven brush that removes stubborn and ground in dirt from the carpet. The machine can clean right up to object edges and can work completely flat to gain cleaning access under furniture and beds.

The CV48/2 Adv has multiple features to enhance performance. It features an indicator light to signal the operator when the roller brush needs to be adjusted to achieve optimal performance. The brushes for the CV 48 2 are available with hard or soft bristles and because of the excellent design the brushes can be replaced easily without the need for tools.
