

Karcher HD 5/11 P

Portable light weight cold water pressure washer

- Lie flat or upright operation
- 850mm spray lance
- 10m high pressure hose
- Anti twist system (AVS)
- High pressure for tough dirt
- Lance with triple nozzle adjustment

The Karcher HD 5/11 P is a compact, light weight and portable commercial cold water pressure washer which provides high pressure cleaning for tough and resilient dirt as well as the option of using a high flow rate for large surface areas.

Excellent usability with an easy press trigger gun with triple nozzle for cleaning a variety of surfaces and dirt types and is capable of operating upright or lying flat for extra safety.

This model replaces the Karcher HD 5/11 C – parts still available.
