

## Karcher HD 5/12 C Plus

Cold water high pressure cleaner

- Integrated carrying handle
- Use vertically and horizontally
- High pressure removes tough dirt
- Lance with triple nozzle adjustment

The Karcher HD 5/12C Plus is a compact and light weight commercial cold water pressure washer which offers the advantage of high pressure cleaning for tough and resilient dirt as well as the option of using a high flow rate for large surface areas. Excellent usability with a 10 metre pressure hose, pressure switch control and anti twist system (AVS). Easy press trigger gun with triple nozzle for cleaning a variety of surfaces and dirt types.

The Karcher HD 5/12 CX Plus model comes with 15 metre high pressure hose that can be safely and conveniently stored away in the built in mounted hose reel.

**This model replaces the Karcher HD 640 – parts still available.**
