

Karcher HDS 5/11 U

Entry level hot water pressure washer

- 550mm spray lance
- 10m / 15m High pressure hose
- Anti twist system (AVS)
- Pressure switch control

The Karcher HDS 5/11 U is a compact hot water high pressure cleaner featuring a 3 piston axial pump and air-cooled 2 pole electric motor. With its low weight and compact design, this machine can be easily transported in a typical estate car. With a simple OFF, COLD, HOT operation the HDS 5 11 U is the perfect machine for light and medium duty cleaning tasks.

The Karcher HDS 5/11 UX comes equipped with a 15 metre high pressure hose and integral hose reel for extra convenience.
