

Karcher HDS 5/12 C

Compact hot water pressure washer

- Low operating noise
- eco!efficiency mode
- Easy to manoeuvre with tilting function
- 1 button mode selection switch

The Karcher HDS 5/ 12C is the entry level model compact hot water pressure washer which offers the advantage of high pressure cleaning for tough and resilient dirt as well as the option of using a high flow rate for large surface areas.

Excellent usability with an easy press trigger gun with soft grip and a triple nozzle for cleaning a variety of surfaces and dirt types. Pressure control switch, integral fuel and detergent tank.

Multiple operator tools, control panel with indicator lamps, pressure control switch and electronic service control with LED display.

This model replaces the Karcher HDS 550C – parts still available.
