

Karcher HDS 6/10-4 C

Compact hot water pressure washer

- Low operating noise
- 4-pole motor
- eco!efficiency mode
- Anti twist system (AVS)
- One button operation

The Karcher HDS 6/10-4 C is a compact hot water high pressure cleaner which offers high pressure cleaning for tough and resilient dirt as well as the option of using a high flow rate for large surface areas.

Excellent usability with a one button operation control panel and easy press trigger gun with soft grip and a triple nozzle for cleaning a variety of surfaces and dirt types. Produces low level noise and is equipped with eco!efficiency mode, which reduces fuel consumption and CO2 emissions by 20%.

This model replaces the Karcher HDS 601C – parts still available.

Technical data: Karcher HDS 6/10-4 C

Features:

HDS 6/10-4 C

Operating pressure (bar / MPa)	30-100 / 3-10/td>
