

Karcher KM 90/60

Battery, LPG or petrol powered ride-on sweeper

- Suitable for indoor or outdoor applications
- Automatic filter cleaning
- Forward or reverse travelling sweeper
- Large 60L hopper
- Pneumatically controlled side brush
- Can be used on sloping / uneven floors

The Karcher KM 90/60 is a ride-on sweeper which provides excellent cleaning results and is the perfect solution for medium sized cleaning jobs. With a 615mm working width the KM 90/60 easily cleans warehouses, service stations, school yards, shopping malls, sport centres and factories.

12% hill climbing ability enabling it for uneven flooring and the ability to reverse as well forward movement.

With a multitude of operator controls makes this machine easy to operate and increase the time it takes to clean.
