

Karcher MC 50

Economical ride-on city sweeper

- Multi-functional all season use
- Comfort seat, air conditioning & heater
- 500 litre waste container
- Outdoor applications
- Ergonomic power steering
- Side brush rotation reversal
- 4 wheel chassis

The Karcher MC 50 Advanced Comfort is an engine driven, multi-functional all season municipal sweeper. This outdoor sweeper is truly versatile by design and can be easily converted into a mower, snow plough and gritter. With outstanding results every time, thanks to the 500 litre waste tank, superior power and cleaning width, the MC 50 is suitable for road and pavement cleaning, green area maintenance etc.

Equipped with multiple features, this machine is comfortable and easy to operate for the driver. For all season cleaning it is equipped with a heater, air conditioning and an extra comfy seat. With plenty of dashboard controls to clearly identify to the operator what is happening such as full/empty tank etc. The machine has power steering and is highly manoeuvrable which reduces operator fatigue.

Features include:

- Parallelogram guided brush system: The sweeper mechanism has load relief and a hydraulic floating position, to achieve constant contact pressure, giving optimal sweeping results, even on uneven ground.
- Automatic coarse dirt flap: Opens automatically for larger dirt and debris, for perfect suction and minimal residue.
- Straight suction tube: This minimises the risk of blockages and can be extracted without needing tools.

Technical data: Karcher MC 50

Features:

MC 50

Drive	4-stroke diesel engine / Yanmar
Drive – power (kW/hp)	13.2/26
Max. area performance (m ² /h)	14000
Working width (mm)	1400
Working width with 3rd side brush (mm)	2000
Sweeping width variable (mm)	1100 – 1400
Waste container capacity (l)	500
Load capacity (kg)	400
Water tank (l)	165
Filter area (m ²)	2.1
Weight (Kg)	1110
Dimensions (L x W x H) (mm)	2960 x 1090 x 1970
Travel speed (km/h)	20
Hill climb ability (%)	25
Turning circle (m)	0.75
Hydraulic container lift (m)	1.45
Operating hours on one tankful (h)	13
