

Karcher NT 27/1

Wet and dry vacuum cleaner

- Multi-purpose cleaner
- Robust construction
- Plastic or metal (ME) models

The Karcher NT27/1 is an all purpose vacuum cleaner, that is professional and robust by design and is suitable for all wet and dry applications. It provides high powered suction which can pick up large quantities of wet or dry dirt easily.

The cover has been designed to be large enough to work as a storage unit for any tools and accessories. The overall machine has an ergonomic handle for easy movement and tough impact bumper to keep the vacuum and surrounding obstacles safe from damage.
