

Karcher Puzzi 10/2

Deep cleaning spray extraction machine

- Carpet cleaning machine
- Very little residual moisture after cleaning
- Improved cleaning performance

The Karcher Puzzi 10/2 is a spray extraction cleaning machine, suitable for every day use. There are a variety of accessories, for example a nozzle for cleaning car seats.

The Puzzi 10 2 was designed to be used with ease, with an adjustable handle without the need for tools, quick change of floor nozzle to upholstery nozzle. With its proven spray-extraction method, the Puzzi 10/2 deep cleans carpets leaving only minimal residual moisture.

This means that carpets and upholstery are left almost completely dry, reducing the risk of re-soiling and enabling cleaned areas to be used again very quickly.

The Karcher Puzzi 10/2 replaces the Puzzi 200. We also supply parts for the Puzzi 200 and 10/2.

Technical data: Karcher Puzzi 10/2

Features:

Puzzi 10/2
