

## Karcher SG 4/4 Universal dry steam cleaner

- Hygienic cleaning without detergent
- Produces steam up to 150c
- Rust proof insulated aluminium boiler
- Power nozzle
- Floor tool
- 4 Litre tank
- Qualifies for ECA \*

The Karcher SG 4/4 is an excellent multi-purpose dry steam cleaner that provides deep and hygienic cleaning without the need for detergents. This machine is ideal for kitchen and bathroom applications by quickly producing steam up to 150°C ensuring surfaces and surrounding areas are left hygienically clean, and it equally suited to clean the floors and walls.

The SG 4 4 has multiple features to enhance performance. It features a 2 tank system that reduces heating time as only a small capacity of the tank gets heated.

\* The Karcher SG 4/4 is qualified for the Enhanced Capital Allowance scheme and is also on the water technology list.

See more information about [ECA](#).

# Technical data: Karcher SG 4/4
