

## Karcher T 10/1 Adv

### Powerful commercial tub vacuum

- Designed for professional use
- Compact, easy to transport and store
- Can be used with or without a bag
- Vacuums hard and soft floors

The T 10/1 Adv tub vacuum has been designed to offer high value at low cost, with strength and durability, ideal for contract cleaners.

Featuring a large, extra strong, permanent filter made from washable nylon, this machine can be used without a filter bag if required.

With a lightweight plastic container and an anti-static system, the T 10/1 is supplied with a metal suction tube and floor tool. The plug-in power cord is easy to replace.
