

## Karcher T 9/1 Bp

### Battery powered vacuum cleaner

- Quiet, no cable, accessories supplied
- High performance lithium-ion battery
- Running time up to 43 minutes
- Quick battery charge

The T 9/1 Bp dry vacuum cleaner is battery powered, making it extremely quiet and easy to use (no trailing cables) with the cleaning ability of a mains powered vacuum.

Suitable for use in public areas, in hotels, retail outlets etc. as well as vehicle interior cleaning. The lithium-ion battery provides 26 minutes running time (43 minutes in eco!efficiency mode). Using 40% less power, Karcher's eco!efficiency dry vacuum cleaners achieve 98% suction power, sufficient for daily maintenance cleaning, and increasing running time by over 60%.

Supplied with battery, quick charger, washable nylon filter, switchable floor nozzle, crevice nozzle, 2.5m suction hose and a high capacity tear-resistant fleece filter bag.

## Technical data: Karcher T 9/1 Bp
