

## MAC Cold Plantmaster

Professional cold static pressure washer

- Full frost protection & cabinet lagging
- Weather-proof powder coated steel cabinet
- Lockable controls and steel door
- Professional interpump with ceramic pistons
- Leak detection
- Auto stop / start

The MAC Cold Plantmaster is an industrial cold water static pressure washer that delivers professional cleaning results thanks to the industrial high speed 1450rpm 4 pole electric Nicolini motor and the professional Interpump and ceramic pistons.

The machine has full frost protection and leak detection and is completely contained in a powder coated steel cabinet with lockable controls.
