

MAC FIX Cabinet Pressure Washer

Wall mounted cold pressure washer

- Heavy duty cold water washer
- Wall mounted cabinet
- High flow and pressure
- Automatic stop / start system
- Stainless steel construction

The MAC FIX Cold Module pressure washer is ideal for use in the food and automotive industries.

The stainless steel cabinet is wall mounted using a stainless steel bracket (supplied) or can be used with the optional floor stand. Powered by an Interpump pump, with ceramic pistons and a 1450 rpm low revving motor, the MAC FIX offers a high flow rate and pressure.

Features include an automatic stop / start system, bypass valve, pressure gauge, mains on lamp and 24v low tension safety controls.

Supplied with a 10 metre hose, lance and heavy duty trigger.

Optional accessories include a plastic or stainless steel water tank, frost protection, a remote control system and a low-pressure chemical injector with twin lance.
