

## MAC Zeus Pressure Washer

Mobile diesel-powered hot water pressure washer

- Diesel pressure washer
- 0-100°C temperature
- High efficiency boiler system
- Electric key-start engine
- Steel frame, easy to manoeuvre

The MAC ZEUS2 18/160 diesel is a mobile hot water pressure washer with a range of features.

With a robust steel frame, 2 large pneumatic rear wheels, and 2 heavy duty castor wheels with brakes and large handles for easy transportation and supplied with a 40m capacity hose reel, this pressure washer is ideal for use in a variety of commercial environments and is suitable for tough dirt and graffiti removal.

The Zeus is powered by a Yanmar 10hp, 7.4kw air cooled diesel engine, with the MAC high efficiency boiler system with alternator, a 12v burner system with insulated battery, and a quality Interpump with ceramic pistons, this is a very efficient mobile pressure washer.

Easy to use, with an electric key start engine, 31 litre easy fill fuel tank, low level fuel tank sensor. Other features include a burner on/off switch and thermostat, low engine oil cut-out system and photocell for flame failure system.
