

Matrix SV4 Steam Cleaner

Commercial steam cleaning machine

- Chemical-free, hygienic cleaning
- Kills bacteria and germs
- Steam and vacuum for daily and deep cleaning
- Leaves surfaces dry and odour-free
- Easy to use, steam control on handle
- Silent operation
- Wet pick-up with removable waste tank

The Matrix SV4 is a commercial / industrial 4.5 bar pressure steam cleaning machine. Made from a stainless steel construction with a continuous fill boiler for uninterrupted operation.

High temperature steam penetrates deep into surfaces sanitising and killing bacteria as well as removing dirt and grease in kitchens, food preparation areas and a wide variety of commercial environments.

The SV4 is also an economical and effective machine suitable for use in care homes and healthcare environments, for chemical free daily cleaning, deep cleaning and rapid response cleans. Steam cleaning is proven to be effective against superbugs and viruses, and the SV4 leaves surfaces dry, sanitised and odour-free.

The integral vacuum system has been awarded a Clean Show Innovation Award for its unique design, and ensures surfaces are left clean & dry.

Matrix SV4 accessory pack
