

Nilfisk SW750

Quiet walk-behind sweeper

- Battery powered floor sweeper
- Use indoors / outdoors
- 12v battery & on-board charger
- Suitable for indoor and outdoor use
- Very quiet, only 59dbA

The Nilfisk SW 750 battery powered floor sweeper can be used for cleaning in a wide range of commercial environments, e.g. from retail areas to gas station forecourts.

The machine's polyester filter and filter shaker enable cleaning in wet and dry areas.

The onboard battery and charger are supplied as standard, and a full charge can cover up to 6000m² on hard floors.

With a noise level of only 59 dbA, the SW750 is suitable for daytime cleaning in public areas.

The large wheels and traction drive, with the battery balanced over the rear axle, make the SW 750 easy to manoeuvre, even on carpeted floors.

Optional carpet kit available for cleaning soft floors.
