

Prochem Steempro Powerflo

Professional carpet and upholstery cleaning machine

- Carpet soil extractor
- Suitable for residential and commercial carpet cleaning
- Scuff-resistant granite finish
- Very powerful, very quiet extraction cleaner

The Prochem Steempro Powerflo SX2000 is a powerful carpet extraction cleaner for residential and commercial carpet and upholstery cleaning. The upright mounted motors and intercooler give long life and durability.

A powerful machine, with internal “whisper quiet” silencer making it suitable for use in places with a low noise tolerance and the optional clip-in Heat ‘n’ Run in-line heat exchanger enables the supply of continuous hot cleaning solution.

Easy to use, this machine has top handle-mounted switches and opens easily for access to internal components. Automatic vacuum shut-off.

Supplied complete with hoses and single jet Glidemaster stainless steel wand.

Free training voucher offered with the Prochem Steempro Powerflo.
