

Prochem Steempro Powermax

Professional high power carpet extractor

- High power carpet and upholstery cleaner
- Compact design and 35 litre solution tank
- Suitable for single operators, long run-time
- Scuff-resistant granite finish
- Internal “whisper quiet” silencer

The Prochem Steempro Powermax SX2100 is a powerful, yet very quiet, carpet extraction cleaner for residential and commercial carpet and upholstery cleaning. The upright mounted motors and intercooler unit give long life and durability.

Suitable for use in quiet areas, with optional clip-in heat exchanger for continuous supply of hot cleaning solution.

Easy to use, this machine has top handle-mounted switches and opens easily for access to internal components. It also has an automatic vacuum shut-off.

Supplied complete with hoses and 2-jet Glidemaster stainless steel wand.

Free training voucher offered with the Prochem Steempro Powermax.
