

Prochem Steempro Powerplus

Extra capacity carpet & upholstery cleaner

- Professional carpet and upholstery cleaner
- Large 55 litre solution tank
- Tackles big cleaning jobs quickly and efficiently
- Scuff-resistant granite finish
- Dual 3-stage vacuums
- Internal “whisper quiet” silencer

The Prochem Steempro Powerplus SX2700 is the largest in the Steempro family, an extra capacity carpet extraction cleaner for residential and commercial carpet and upholstery cleaning. The upright mounted motors and intercooler unit give long life and durability.

This is a high performance carpet cleaning machine, with optional clip-in Heat “n” Run heat exchanger for continuous hot cleaning solution and the extra-large 55 litre tank enables for extended use before emptying and refilling. Also features a 220 psi diaphragm pump with pressure switch and partial by-pass.

Easy to use, this machine has top handle-mounted switches and opens easily for access to internal components. It also has an automatic vacuum shut-off and whisper quiet built in silencer enabling the machine to be used in quiet areas.

Supplied complete with hoses and 2-jet Glidemaster stainless steel wand.

Free training voucher offered with the Prochem Steempro Powerplus.
