

Truvox Battery Multiwash 340/Pump

Battery powered multi-purpose floor cleaner

- Wash, mop, scrub and dry floors
- 50 minute continuous run time
- Suitable for both hard and soft floors
- Also for use on escalators & entrance matting

The **Truvox Battery Multiwash 340/Pump** is a multi-purpose battery operated floor cleaner suitable for cleaning both soft and hard floors. Ideal for cleaning schools, healthcare environments and retail areas during the day when in use, as floors are ready to walk on in minutes.

Designed with ease of use in mind the Multiwash 340/Pump has excellent manoeuvrability and is light weight so no heavy pushing, pulling or lifting is required. It has easily accessible and removable tanks for fast solution changes and emptying and it can be used to clean all types of floor including travelators, escalators and entrance matting. Particularly effective in cleaning tile grout and non-slip safety floors.

The 340 Pump version features an auxiliary tank, enabling 4 litres of water / detergent to be added before use – ideal for cleaning some distance from a clean water supply.

If you have access to power and a water supply, you might want to consider the [standard Multiwash floor cleaner](#).

The choice of brushes enables intensive scrubbing or normal maintenance for effective and efficient floor cleaning, regardless of the floor type. Side brushes are available enabling cleaning right up to edges and walls.

We highly recommend watching the [demonstration video here](#)

Technical data: Truvox Battery Multiwash 340/Pump

Features:

Battery Multiwash 340/Pump

| | |
|-------------------------------------------|------------------|
| Charging Voltage AC(~) / Frequency (V/Hz) | 220-240 / 50-60 |
| Battery voltage (V) | 24 |
| Continuous run time (mins) | 50 |
| Brush / Cleaning width (mm) | 340 |
| Brush speed (rpm) | 400 |
| Brush pressure (g/cm ²) | 88 |
| Productivity (m ² /hr) | 350 |
| Solution tank capacity (littes) | 4 |
| Sound pressure level (dB(A)) | 66 |
| Weight (Kg) | 22 |
| Dimensions – with handle (L x W x H) (mm) | 378 x 440 x 1114 |
