

AS530R Ride-on Scrubber

Mini ride-on scrubber dryer

- Battery powered – keeps working for hours
- Can clean up to 5000m²
- Comfortable, functional and intuitive
- Can drive through narrow passages

The Viper AS530R mini ride-on scrubber dryer provides high cleaning efficiency and the same level of comfort as larger ride-on machines. The large steering wheel and auto-breaking system make it easy to use with minimal training and the intuitive display show all major functions for the operator, including battery and water / detergent levels. It even includes a USB port for fast charging of cell phones and tablets.

Equipped with heavy duty 73cm squeegee, which can be placed on the built-in hanging system when passing through narrow gaps. Tank emptying / cleaning / refilling and machine servicing are all easy to do.

This ride-on scrubber dryer can be used on a wide range of floors including tiled floors, vinyl, sealed wood, marble and concrete, and its low sound level makes it suitable for use in hotels, restaurants, bus and train stations, factories, supermarket and shopping centres, schools etc.

Technical data: AS530R Ride-on Scrubber

Features:

AS530R
