

AS710R Ride-on Scrubber Dryer

Mid-sized ride-on scrubber dryer

- Compact, robust, easy to use
- Use on a wide range of floor types
- Battery powered with on board charger
- Ergonomic seat, safety features
- Intuitive dashboard, one-touch button controls
- Robust and powerful scrubber

The Viper AS710R ride-on scrubber dryer covers a lot of ground quickly and is ideal for regular cleaning in heavy traffic areas.

Features include automatic speed control, ergonomic seat, safety switch, cell phone storage and USB charging port. Easy plugin and battery charge after use. Includes a heavy duty 90cm squeegee, which can be stored on the built-in hanging system when passing through narrow gaps. Tank emptying / cleaning / refilling and machine servicing are all easy to do.

This ride-on scrubber dryer can be used on a wide range of floors including tiled floors, vinyl, sealed wood, marble and concrete, making it suitable for use in hotels, restaurants, bus and train stations, factories, supermarket and shopping centres, schools etc.
